

Unique Student Identifier (USI) – Information Sheet

From 1 January 2015 if you are undertaking nationally recognised training delivered by a registered training organisation you will need to have a Unique Student Identifier (USI). This includes studying with a private training organisation, completing an apprenticeship or skill set, certificate or diploma course.

How to get a USI

The following steps show how you can create a USI:

Step 1 Have at least one and preferably two forms of ID ready from the list below:

- Driver's Licence
- Medicare Card
- Australian Passport
- Visa (with Non-Australian Passport) for international students
- Birth Certificate (Australian)
- Certificate Of Registration By Descent
- Citizenship Certificate
- Immi Card

IMPORTANT: To make sure we keep all of your training records together, the USI will be linked to your name as it appears on the form of ID you used to create the USI. The personal details entered when you create a USI must match exactly with those on your form of ID.

Step 2 Have your personal contact details ready (e.g. email address, or mobile number, or address).

Step 3 Visit the USI website at: usi.gov.au.

Step 4 Select the 'Create a USI' link and follow the steps.

Step 5 Agree to the Terms and Conditions.

Step 6 Follow the instructions to create a USI – it should only take a few minutes. Upon completion, the USI will be displayed on the screen. It will also be sent to your preferred method of contact.

Step 7 You should then write down the USI and keep it somewhere handy and safe.
